

***National Council of "56" Clubs
Associate Member Membership Form***

NCC Associate Members are retail and secondary market dealers. The council is appreciative of the continued support of its Associate Members and invites all Department 56 and retail and secondary market dealers to join the NCC. Through the financial support of our Associate Members annual dues of \$100 – the NCC is better able to meet the goals established for its member clubs and their individual members.

As a show of support, Associate members may display the NCC "house" logo in their advertisements. Associate members receive all correspondence sent to member clubs. The NCC lists the associate member business in the annual Member Club & Associate Member Directory, NCC Bulletins and Banner on the NCC web page. Associate members are listed in each bulletin and may be featured individually.
